Re: *U.S. v. Ari Teman*
19 Cr. 969 (PAE)

Dear Judge Engelmayer:

As breakthrough cases of Covid-19 continued to rise, Mr. Teman, and in particular his parents, have become increasingly alarmed at the thought of their son traveling to NYC via public transportation, in light of his medical frailties, as outlined in sealed submissions by previous counsel. I will spare your Honor the statistical update, because I am certain that the Court has followed the ongoing resurgence of the spread of the Delta variant.

Accordingly, they have urged us to reach out to the Court and request that the sentencing be done virtually, via video conference.

The Court's consideration of this matter is appreciated.

Respectfully submitted,

Susan G. Kellman
